# VISION

An equitable society wherein all people live with dignity and equality and realization of human rights, justice and solidarity.

## MISSION

Upscaling the capacities of the oppressed to involve in joint actions for deciding their destiny through mobilsation, negotiations, networking, lobbying and advocacy with greater commitment, cooperation and coordination with competent socially spirited organizations and people towards realization of human rights.

## President's Message

Dear Brothers, Sisters and my friends

Prayerful greetings to you all

The mission towards the needy and the marginalized community with the social apostolate ministry of proclamation that facilitates social development efforts were continuously executed in this fiscal year amidst the COVID 19 crisis situation. This is the most noblest effort we can proudly express that the planned activities were executed and achieved the desired results in the past fiscal year.

I can very proudly and strongly emphasize the fact that TASOSS and the Diocesan Social Service Societies have always been in the

forefront in protecting our people in concern. Especially during these toughest times of COVID 19 pandemic, vulnerable people are in dire situations and have lost all their hopes in life in the last 2 years. In this context I appreciate the committed and coordinated efforts of DSSSs and TASOSS. Special appreciation to Rev.Fr.V. Albert Thambi Durai, Director, TASOSS, and Rev.Fr. A. Arokiasamy, Assistant Director, TASOSS and the team of TASOSS.

Amidst the pandemic crisis and in-spite of the tough situation, TASOSS was able to keep the spirits high as always and a few key milestones were reached in this fiscal year. I am very proud to inform you that TASOSS turned Eco-friendly through its conversion to Solar energy and it was heart whelming for me to inaugurate the same. This has become a prototype for the DSSSs to replicate and offer our piece of support in saving the planet earth as our Pope Francis referred in his encyclical letter laudato si "If we Destroy Creation, Creation will destroyus".

Finally my wholehearted appreciation and thanks to the Vice president of TASOSS Dr. A. Savarimuthu and the General body members for their valuable and timely suggestions and showing us the way forward. My heart filled with joy to thank all the Diocesan Directors and their staff teams for taking all the efforts in implementing the mission of TASOSS through the different project interventions to reach out to our people in concern.

May God's abundant blessings shower upon us all to carry out his mission effectively to the joy and happiness of all.

Most Rev. **Dr. Thomas Aquinas**President, TASOSS,
Bishop of Coimbatore

### From the Director's Desk

If I have the belief that I can do it, I shall surely acquire the capacity to doit, If I have may not have it at the beginning Mahatma Gandhi.

Liberating people from bonded chains of all forms of oppression has always been the main goal of the church initiatives. While continue to coordinate, collaborate and network with DSSS and other NGOs in this fiscal year, TASOSS has made a very significant role in building the people's movement had resulted in 465 of our CBO members got elected to the PRI, 75 Acres of common property pertaining to both land and water were recovered, more than 4 lakes and 20 farm ponds and 150 wells were restored, renovated and recharged, 16 producer groups were formed and 8608 marginalized households accessed various Government schemes to the tune of nearly 400 million rupees.

TASOSS took initiative by the guidance of TNBC has published the translated version of Agua fons vitea in Tamil as "நீர் வாழ்வின் ஊற்று" and the encyclical of Pope Francis on Fratelli Tutti in tamil as "அனைவநம் உடன்பிறந்தோர்". TASOSS has set a milestone to love for the nature by promoting clean and renewable energy in its campus has established a Solar plant with 34KV capacity.

No-one doubts that COVID 19 is one of the dire threats the world has ever faced. Yet amidst the confusion and anxiety there are ever living science of hope and solidarity, a sense of togetherness is expressed by church leaders, DSSS Directors, staff, Social media of the church and volunteers by risking their life reached out to COVID affected and infected people by providing livelihood and showing a ray of hope in reaching out to 7 million people mostly from vulnerable community such as women, widows, children, migrants, differently able, elderly, Dalits and minority.

Let me place in record on behalf of the TASOSS team our sincere gratitude and appreciation to all the Most Rev Arch Bishops, Bishops and donors who lend TASOSS and DSSSs in the most difficult and darkest times in COVID 19 addressing the people in need.

In a special way I place my respectful regard and gratitude to Most Rev Dr. Thomas Aguinas, DD, D.CL, the President of TASOSS for his loving, efficient, effective guidance and support. It is my pleasure to thank all our Diocesan Directors, Governing body members. I specially congratulate RevFr. ### From the Asst. Director's Desk

My God will meet all your needs according to the riches of his glory in Christ Jesus. Philippians 4:19

In the Name of Christ I sincerely thank everyone who is part of this successful Fiscal year. He has given me the strength to serve the needy and poor through the help of TASOSS. In this year we do our best in serving for the people as like every year that we do with the help of our most proficient and eminent Bishop Most Rev. Dr. Thomas Aquinas who is our strength in every single work that we do. I extend my sense of obligation to our Directing Force and the Director of TASOSS Rev.Fr. Albert Thambidurai who is our grand force in directing and getting enormous projects to do the exact work in serving for the needy and poor exclusively.

All success and appreciation of this year need to be shared with the staff in TASOSS who all are serving for the Society and Christ. In particular I sincerely thank and appreciate the team of TASOSS who have showed their commitment and confidence in delivering the regular tasks during the pandemic situation. I thank every benefactors who contributed economically and spiritually.

"The best way to find yourself is to lose yourself in the service of others". Mahatma Gandhi.

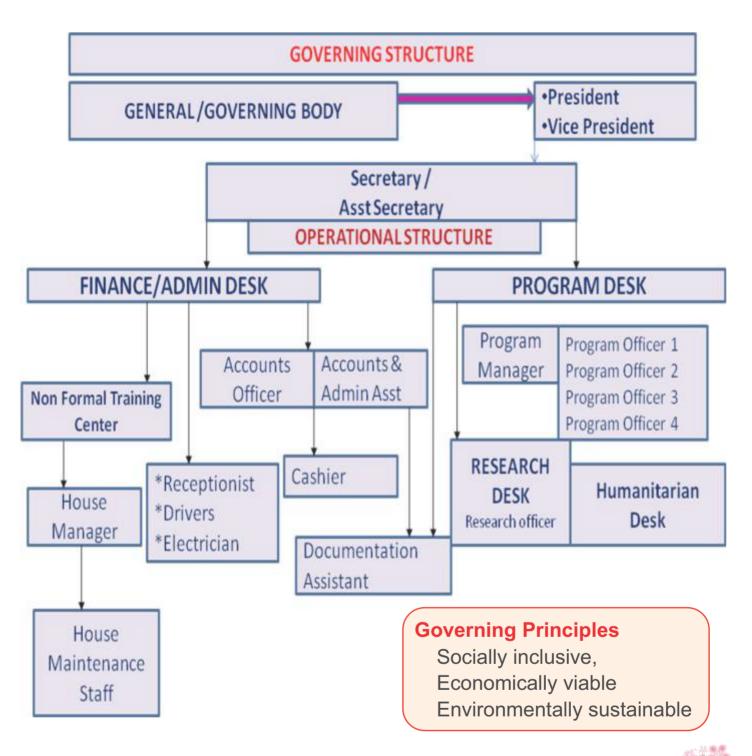

God bless every one...
